### APPLICATION FOR EMPLOYMENT - NON-DRIVING POSITIONS IMPORTANT AUTHORIZATIONS AND UNDERSTANDINGS

--	--	--	--	--

#### INTRODUCTION

Thank you for your interest in VENEZIA. The purpose of this application packet is to provide you with pertinent information about the job for which you are applying, information about VENEZIA, and to assist you in comparing your qualifications with those required to be considered for the position.

Our goal is to hire and retain the best employees and provide them with a healthy, safe, and productive work place. Our employees are our most valuable resource and will be treated as such.

#### EQUAL EMPLOYMENT OPPORTUNITY

All qualified applicants will be considered on their merits and without regard to age, race, color, sex, national origin, disability, military status, or any other status protected by law.

#### REASONABLE ACCOMMODATION

If you need assistance or an accommodation during the application process because of a disability, it is available upon request. We are pleased to provide such assistance and no applicant will be penalized as a result of such a request.

#### JOB APPLICATION POLICY

We generally accept job applications only when we have determined there are jobs available or soon to be available. When we make a determination that there are jobs we intend to fill, we reserve the right to review active applications already on file prior to accepting new applications. Given the nature of our business, we reserve the right to not hire persons even though applications have been accepted should we determine our needs were not as we initially projected. Applications are considered "active" for a period of 90 calendar days from the date they were initially signed. An applicant who wishes to be considered after the expiration of that period may establish one (1) additional 30 day "active" period by either calling or personally visiting VENEZIA no sooner than five (5) calendar days prior to and no later than five (5) calendar days after the expiration of the initial 30 days period. In that event, the second 30 day active period will commence immediately upon the expiration of the first. After the expiration of the "active" period, a new application must be completed. All applications must be completed at VENEZIA. We accept only numbered originals of our applications material.

#### HIRING DECISIONS

We hire based on personal contact with individuals. We base our hiring decision on a variety of factors including skills and ability to perform the job, prior employment with us, employment references, willingness to accept the offered salary, and personal interviews.

#### GENERAL WORK AND SCHEDULING RULES

All employees are expected to work and to work the hours appropriate for their employment status. It is the nature of our business that work may need to be done on a tight schedule. Just as the classification of an employee is not a guarantee of a certain number of hours or work, it is not a limitation on the number of hours for which an individual may be assigned unless prior approval has been given or VENEZIA is aware prior to the assignment of conditions which would preclude an individual from being able to work. Full time employees are expected to be available for a "regular" 40 hours schedule plus overtime as may be required by VENEZIA. Regular part time and temporary employees are expected to be available for the hours for which they committed to work at the time of hire.

#### CONFLICT OF INTEREST

Our employees are prohibited from working or having an ownership interest in any other company of any size or type or any organization involved in or with the transportation business where there is a potential conflict of interest except with the approval of VENEZIA. VENEZIA employees may not own (in whole or in part, directly or indirectly), manage, be a consultant to, or have any relationship with another transportation related company.
